

# HAPPY LITTLE FARMSTEAD

**Hands-on Farm Learning  
Experiences for** schools,  
daycares, youth groups &  
community homes

## **Welcome to Happy Little Farmstead!**

We offer hands-on farm learning experiences where children and adults can connect with farm animals, explore where food comes from, and learn about farm life in a safe, engaging, and welcoming environment.

Our programs are designed to encourage curiosity, discovery, and meaningful interactions with animals and nature. We proudly offer programming in both **English and French** and are happy to adapt activities to best suit your group's needs.
